Maintenance advice: Trim down to a third in height at the end of winter. Eliminate wilted flowers in summer to encourage repeat flowering. Trimming is easy and non-restrictive and can be done even with shearers at the end of winter. Add some aluminium sulfate (alum powder, etc.) to a chalky soil, to keep the flowers blue.

Botanical/Horticultural origin: Horticultural origin : selection by Bailey Nurseries (US) 1983

Use group: Heathland plants

Height at 10 years: 1,5 m

Width at 10 years: 1,5 m

Growth: Fast

Fragrance: No

Exposure: Shade - Half shade

Evergreen/Deciduous: Deciduous

Shape: rounded, ball, globe

Colour of leaves: Green

Colour of flowers: Blue

Soil type: Cool

Uses: Border, Free standing specimen, Tub/container

Publisher: Bailey
